SECTION IV – Notes

NOTES:

1. Drill Sergeant Candidates must take appropriate action to meet the length of service requirement prior to attending school. The 24-month obligation begins on the actual reporting date to the gaining unit for Active Army; and for the Army Reserve, the 24-month obligation begins the day immediately following graduation.
2. A Drill Sergeant Candidate may possess certain medical conditions that would give him/her a lower PULHES rating than the minimum of 211321. Possessing a lower rating does not necessarily preclude a Soldier from performing duties as a DS. Prospective Drill Sergeant Candidates that possess a lower PULHES rating than the minimum will be medically evaluated to make the determination if their condition would hinder their abilities to perform as a DS. If medically cleared to perform the duties as a DS, an exception to policy must be submitted to the Drill Sergeant Program Proponent for approval to enter the DSP.
3. If the Drill Sergeant Candidate is overweight, action must be taken to ensure he/she is within compliance with AR 600-9, prior to class start date. If Drill Sergeant Candidate is separated from active duty or barred from reenlistment for overweight status please notify this headquarters immediately. If this requirement is the basis for determining that a Drill Sergeant Candidate does not meet the selection criteria for the DSP, a copy of the appropriate personnel action (flag or bar to reenlistment) must accompany this packet.
4. If the Drill Sergeant Candidate is having difficulty passing the ACFT, action must be taken to ensure he/she can pass the ACFT prior to class start date. If this requirement is the basis for determining that a Drill Sergeant Candidate does not meet the selection criteria for the DSP, a copy of the appropriate personnel action (flag or bar from reenlistment) must accompany this packet.
5. Moral turpitude involves misconduct of the following nature: incest, bestiality; adultery; sexual activity with subordinate Soldiers; pandering; prostitution; fraternization; sexual harassment; spouse or child abuse characterized as moderate or severe; rape; or indecent acts with minors (see ALARACT 188/2014 AND FRAGO to HQDA EXORD 194-14).
6. Soldiers who have inappropriate tattoos per AR 670-1 Chapter 3-3 b. will not be allowed to attend the United States Army Drill Sergeant Academy.
7. Deletion and deferments request must be submitted through IPPS-A as a Personnel Action Request (PAR) and endorsed by the first O6 in the Soldier's Chain of Command. The PAR must then be routed to the Drill Sergeant Team utilizing the Unit Defined List (UDL) ID: 00000000034270 / Name: AC HRC ENL DRILL SGT TEAM
